

# Nepal: Rebuild. Safe Build. Union Build.

Union Aid Abroad-APHEDA members and Australian unions gave generously when the earthquake hit Nepal on April 25 this year. Together, in Australia and with one of the global union federations, UNI-Global, we raised over \$300,000. Your assistance helped with the most immediate of needs: building emergency shelter, providing medical assistance and food supplies.

*There is more to do.* The reconstruction work required is monumental. Nepal's trade union movement, together with the International Trade Union Confederation, is determined to make sure all reconstruction work in Nepal is safe and unionised with living wages.

**Give generously to Union Aid Abroad-APHEDA's festive season appeal – *Nepal: Rebuild. Safe Build. Union Build.* so that we can support the campaign for safe, unionised work in construction across Nepal.**

**GIVE GENEROUSLY TODAY!**
