

Union Aid Abroad-APHEDA is the global justice organisation of the Australian union movement. We support Union Aid Abroad-APHEDA because we know to defend our rights as workers here, we must defend workers' rights everywhere!

In 13 locations around the world, Union Aid Abroad-APHEDA works with unions, women's groups and refugees to help people improve their livelihoods and organise for social justice.

For example, in South East Asia, Union Aid Abroad collaborates with workers, public health groups and community groups to fight against the powerful asbestos industry, and ban asbestos everywhere.

You can support this work by becoming a member of APHEDA for \$15/month! Come and talk to _____ if you're interested in joining APHEDA.

You can also support Union Aid Abroad's major fundraiser – the annual raffle.

The **major prize in the raffle is an \$8,000 travel voucher** – you could go anywhere in the world! Second prize is a top of the range Gazelle Ultimate C1 bicycle from Omafiets (value \$2199). And third prize is a \$500 book voucher from Gleebooks.

We've given you each a book of 10 raffle tickets –they're **\$5 per ticket**. We're asking you to take these back to your workplace or your community and sell the tickets to your friends and colleagues.

You **keep the cash. Just use the reply-paid envelope to return the ticket stubs and a credit card payment for the tickets you sold**. We've also included a flyer with all the information about the raffle that you can stick up on the noticeboard at work.

The raffle closes on Friday 17 May 2019.

Thanks so much for supporting Union Aid Abroad APHEDA – it's our union values in action overseas.
